Chinese Dialectics: From Yijing to Marxism

Chinese Dialectics: From Yijing to Marxism is an unparalleled investigation into the conversation between Western Marxism and Chinese, or Eastern Marxism. An autodidactic version of Marxism persists in China coming to fruition through the work of Mao Zedong. Chenshan Tian contends that the conversation between Eastern and Western Marxians...

Tongbian: A Form of Correlative Thinking since the Yijing

The Chinese term for “dialectics” is bianzhengfa (dialectical methodology or way). However, when Marxist dialectical methodology encountered—and presented itself as something that might engage in dialogue with—the tongbian approach to philosophical reasoning that existed in China, it went through a process of representation and cannibalism...
